

## **MARK YOUR 2017 CALENDAR!**

### **Electric Operations Committees' *Fall* Event**

**Monday, September 11 –Wednesday, September 13**

*Holiday Inn Allentown Center City, Allentown, PA*

**The place to be for Electric utility front line supervisors, managers, engineers, decision makers and others with an interest in industry issues:**

***Be there when the EAP's Electric Operations Committees' fall meeting event convenes.***

- The members of the Electric Transmission & Distribution Committee and Electrical Equipment & Protection Committee are working to provide speakers and presentations of interest to the industry during the Tuesday, September 12<sup>th</sup> concurrent educational sessions
- Among planned seminar topics: *Emergence of GIS Technology in Utility Landscape, Benefits & Advantages of Superconductors in Dense Urban Environments, Experience with one of North America's First Digital Substations (PECO & GE panel), Technical Knowledge Transfer to Millennials, Categorizing Transformer Faults via Dissolved Gas Analysis, Utility Management of Distributed Energy Resources, Executing a Long Term Infrastructure Improvement Plan, End to End Testing*
- Participants can take advantage of valuable networking at the events activities – during breaks, lunch and a reception in the exhibit hall
- Over the past four events, seminar registrations have averaged 150 attendees
- The Tuesday vendor expo will showcase the latest technology, and state-of-the-art products/services. Also featured are vendor presentations on new products/trends
- The Committees are planning on incorporating sessions relevant to professional practice which would qualify for the PA Professional Engineers continuing education credits requirements
- Closed session best practice meetings, reliability roundtable session for committee members/utility company representatives will take place on Monday and Wednesday

**Hotel reservations may be made by contacting the Holiday Inn Allentown Center City directly at 610-433-2221.**

- *Please specify that you are with the Energy Association conference when calling to receive the discounted rate of \$99.00 (single/double occupancy, plus tax). The reserved block of rooms will be released on August 12<sup>th</sup>; please make your reservation by Friday, August 11, 2017*
