What some past exhibitors/sponsors have had to say about the regional exposition:

“For us the Expo was a huge success with opportunities to interact with far more attendees than we anticipated.”

“We had all the right people there.”

“Great opportunity to network – saved us a lot of time.”

“We build on this event with prospective clients.”

“Good venue to visit with existing customers and also develop new business.”

“Loved the personal contact with quality attendees.”

“We already have plans to participate next year.”
